## **Complimentary Skin Consultation - 15 minutes**

Not sure where to start? Take the guesswork out of skin care with an individual analysis from one of our licensed medical aestheticians.

## **Facials**

---

### **Deluxe HydraFacial - 45 minutes, \$215**

*This invigorating treatment includes all of the essentials of the Signature HydraFacial while addressing specific skin concerns through the use of an additional booster and LED light therapy protocol. Booster options include DermaBuilder, Britenol, Growth Factor and Brightalive.*

### **Signature HydraFacial - 45 minutes, \$149**

*Deeply cleanses, exfoliates, extracts, and hydrates the skin utilizing super serums filled with antioxidants, peptides and hyaluronic acids!*

### **Ocala Eye Signature Facial - 50 minutes, \$85**

*Promotes glowing, youthful skin. This treatment smooths fine lines and wrinkles by feeding your skin with natural nutrients, antioxidants, and vitamins.*

### **Express Facial - 35 minutes, \$50**

*Rice power and mild compounds gently remove dead skin cells and soften the skin while antioxidant-rich organic ingredients cleans and tightens your pores. This pampering facial is finished with an Antioxidant mask for the ultimate in skin hydration.*

## **Clear Skin Facial** - 45 minutes, \$60

*Our Clear Skin treatment detoxifies and revitalizes acne-prone skin with gentle organic ingredients to soothe inflammation, reduce formation of sebum and bacteria, while gently exfoliating and improving the skin's balance. Stone Crop reduces formation of sebum and bacteria, while yogurt gently exfoliates and probiotics improve the skin's balance.*

# **Microdermabrasion & SkinPen Collagen Induction Therapy**

---

## **SkinPen Collagen Induction Therapy** - 1 hour 15 minutes, \$250

*SkinPen Collagen Induction Therapy is a minimally invasive treatment to rejuvenate the skin. A device with fine needles creates tiny channels in the top layer of the skin, which triggers the body to create new collagen and elastin. Results can include improved texture and firmness, as well as a reduction in scars, and pore size.*

## **Organic Microdermabrasion** - 50 minutes, \$85

*This treatment has a rejuvenating effect on common problems such as acne scarring, mild discoloration, sun damage and wrinkles. It's a painless, non-surgical procedure that gently exfoliates your skin.*

## **Ultrasonic Exfoliation** - 50 minutes, \$85

*Removes dead skin cells to even out the skin tone while stimulating circulation and giving the skin a smooth, youthful appearance. Suitable for those with rosacea, sensitive or aging skin.*

# Chemical & Enzyme Peels

---

## **Basic Chemical Peel - 45 minutes, \$70**

*The ZO Stimulator Peel Treatment is ideal for skin that feels rough or looks dull, as it uses a new, unique combination of exfoliating ingredients to renew and revive skin. With no downtime, this chemical peel is the ultimate results-oriented treatment. This peel is considered a “lunch time peel” and can be done as often as every 2 weeks. Add on treatments are available for this service.*

## **Advanced 3-Step Chemical Peel - 45 minutes, \$250**

*This clinical treatment can be used on any skin-type or tone. It improves the skins ability to repair and renew itself by providing epidermal renewal and dermal stimulation, producing longer-lasting results than ordinary peels. This peel is ideal for moderate-to-severe aging, hyper-pigmented, scarring or acneic skin. Some patients may experience peeling 5-7 days post-treatment. A consultation is required prior to treatment.*

## **Customized Organic Peel - 45 minutes, \$70**

*A personalized peel created by your Medical Aesthetician that will work to target your individual skin care needs. Using organic Eminence products, this 45 minute treatment includes a cleanse, analysis, and skin specific enzyme peel and serum(s). Peels help improve the look of your skin by accelerating and enhancing the process of exfoliation, diminishing clogged pores, and clearing away dead skin cells.*

# Radio Frequency Treatments

---

*Gently raises the temperature of the collagen of the deep tissue in your skin providing instant contractibility, which helps to tighten skin, reduce fat, enhance luminosity, reduces wrinkles, and stimulate collagen rebirth while lifting the sagging skin on your forehead, under the eyes, and cheeks. This treatment can also be used along the jawline, neck, abdomen and hips. Treatment packages are recommended to achieve best results.*
