ELECTRONIC MEDICAL RECORD CONSENT

☐ CONSENT

☐ DECLINE

Ocala Eye uses an electronic medical record system in order to improve the quality of our services. This system also allows us to collect and review your "medication history" which consists of a list of your prescription medications prescribed to you. This list is collected from a variety of sources, including your pharmacy and your health insurer. An accurate medication history is very important to helping us treat you properly and in avoiding potentially dangerous drug interactions. By consenting, you give us permission to collect and give your pharmacy and health plan permission to disclose information about your prescriptions that have been filled at any pharmacy or covered by any health insurance plan. This includes prescription medicines to treat AIDS/HIV and medicines used to treat mental health conditions, such as depression. This information will become part of your medical record. The medication history is a useful guide, but it may not be completely accurate. Some pharmacies do not make drug history available to us, and the drug history from your health plan might not include drugs that you purchased without using your health insurance. Your medication history might not include over the counter medicines, supplements or herbal remedies. It is still very important for us to take the time to discuss everything you are taking, and for you to point out to us any errors in your medication history.

Patient Name (*print*)

Medicare/ Insurance Policy Number

1. **MEDICARE:** I request that payment of authorized Medicare benefits be made on my behalf to Ocala Eye, for services furnished me by Ocala Eye. I authorize any holder of medical information about me to release to the Centers for Medicare and Medicaid Services (formerly Health Care Financing Administration) and its agents any information needed to determine these benefits or the benefits payable for related services. I understand my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If other health insurance is indicated in Item 9 of the CMS 1500 form or elsewhere on other approved claim forms, my signature authorizes releasing the information to the insurer or agency shown. Ocala Eye accepts the charge determination of the Medicare carrier as the full charge, and I am responsible only for the deductible, coinsurance and noncovered services. Coinsurance and deductible are based upon the charge determination of the Medicare Carrier.

2. **MEDIGAP:** I understand that if a MediGap policy or other health insurance is indicated in Item 9 of the CMS 1500 form or elsewhere on other approved claim forms, my signature authorizes release of the information to the insurer or agency shown. I request that payment of authorized secondary insurance benefits be made on my behalf to Ocala Eye, if possible or otherwise to me.

3. **RELEASE OF INFORMATION:** Ocala Eye may disclose all or any part of my medical record and/or financial ledger, including information regarding alcohol or drug abuse, psychiatric illness, communicable disease, or HIV, to any person or corporation (1) which is or may be liable or under contract to Ocala Eye for reimbursement for services rendered, and (2) any health care provider for continued patient care. Ocala Eye may also disclose on an anonymous basis any information concerning my case, which is necessary or appropriate for the advancement of medical science, medical education, medical research, for the collection of statistical data or pursuant to State or Federal law, statute or regulation. A copy of this authorization may be used in place of the original.

4. **OTHER INSURANCE:** I understand that Ocala Eye maintains a list of health care service plans with which it contracts. A list of such plans is available from the business office. Ocala Eye has no contract, expressed or implied, with any plan that does not appear on the list. The undersigned agrees that I am individually obligated to pay the full charges of all services rendered to me by Ocala Eye if I belong to a plan that does not appear on the above mentioned list.

5. **NON-COVERED SERVICES:** I understand that Ocala Eye's contracts with health care service plans (i.e., HMOs, PPOs) relate only to items and services which are "covered" by the health care service plans. Accordingly, the undersigned accepts full financial responsibility for all items or services, which are determined by the health care service plans not to be covered. Examples of non-covered services include, but are not limited to, services not specified as being covered in the patient's contract with a health care service plan or in the benefit summary the health care service plan furnishes to the patient; and treatment or tests not authorized by the health care service plan. The undersigned agrees to cooperate with Ocala Eye to obtain necessary health care service plan authorizations.

6. **FINANCIAL AGREEMENT:** I agree that in return for the services provided to the patient by Ocala Eye, I will pay my account at the time service is rendered or will make financial arrangements satisfactory to Ocala Eye for payment. If an account is sent to an attorney for collection, I agree to pay collection expenses and reasonable attorney's fees as established by the court and not by a jury in any court action. I understand and agree that if my account is delinquent, I may be charged interest at the legal rate. Any benefits of any type under any policy of insurance insuring the patient, or any other party liable to the patient, is hereby assigned to Ocala Eye. If copayments and/or deductibles are designated by my insurance company or health plan, I agree to pay them to Ocala Eye. *However, it is understood that the undersigned and/or the patient are primarily responsible for the payment of my bill.*

7. I understand that situations may arise where an overpayment may result from billing or payment errors. In these cases, I understand that any amounts owed to me will be refunded promptly. If, however, there is an overpayment at the time that there is a balance due to a related entity of Ocala Eye, including Ocala Eye P.A., Ocala Eye Surgery Center, or Ocala Eye Optical, then I consent to the transfer of funds to the related entity in order to retire any amount owed to that related entity.
